

**REMARKS**

Prior to consideration, entry and review of the above amendments and following remarks is respectfully requested. Applicants herein amend claims 1, 14, 26, and 32 for clarity.

The Office Action rejects claims 1 and 10-14 under 35 U.S.C. §103(a) over Vallmajo et al. (US 6,791,723) in view of Meyer et al. (US 2002/0116278). The Office Action rejects claims 3-7, 9, 16-20, and 22-38 under 35 U.S.C. §103(a) over Vallmajo et al. in view of Meyer et al., and further in view of Redd et al. (US 6,646,754). The Office Action rejects claims 8 and 21 under 35 U.S.C. §103(a) over Vallmajo et al. in view of Meyer et al., and further in view of Liebenow (US 2002/0085840). For at least the following reasons, Applicants traverse each rejection.

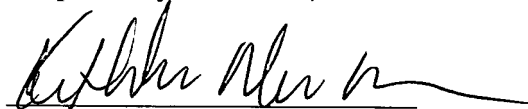

Applicants addressed the rejections in the Preliminary Amendment, filed August 4, 2006, and refer the Examiner thereto. Applicants provide further comments regarding Redd et al as follows.

Redd et al. sends a finished product, not just information, to a recipient. Applicants only provide a recipient with information, which the recipient must bring to a networked kiosk and use at the kiosk to obtain the desired product(s).

For at least the reasons set forth above and in the August 4, 2006 Preliminary Amendment, no combination of Vallmajo et al., Meyer et al., Redd et al., or Liebenow, nor any reference individually, teaches, discloses, or suggests all of the features of the claimed invention. Reconsideration and withdrawal of the rejections are in order, and are respectfully requested.

For at least the above reasons, all of pending claims 1, 3-14, and 16-38 are in condition for allowance. Reconsideration and prompt action in the form of a Notice of Allowance are thus respectfully solicited. Should the Examiner require anything further, the Examiner is invited to contact Applicants' undersigned representative.

Respectfully submitted,
